Members are always required to bring their membership card for entrance. If you have your photo in our system, a photo ID will no longer be required. This is optional and those who choose not to participate will just continue to show their photo ID each visit.

This is how you send in a photograph:

*Take or use an existing photograph that has the following:
1) The photograph needs to be taken in full-face view directly facing the camera. 2) The member must have a natural smile with both eyes open. 3) A neutral background is preferred but not required. 4) The picture must clearly identify the member.

*E-Mail the photo to pzs@peoriaparks.org. Have the picture file name contain your first and last name and your member number. (ex: Jane Doe 4456) An individual photo is required for each adult card holder.
